### General Plan Update

#### List of GP Update Property-Specific Requests for Reconsideration Now Available

During recent public hearings on the proposed General Plan Update, a number of people asked the County to reconsider changes in the plan that would affect their specific properties. Staff has inventoried approximately 230 property-specific requests for reconsideration that were submitted via verbal or written testimony or referred to staff by the Board of Supervisors. A listing of those requests is now available under [Property Specific Requests](#).

Staff will be preparing an analysis on each request for reconsideration, which will be presented to the Board at its meeting Feb. 9. Property owners who submitted a request should confirm that they are on the list and can contact General Plan Staff at [gupdate.DPLU@sdcounty.ca.gov](mailto:gupdate.DPLU@sdcounty.ca.gov) or at 858-694-2488 with any questions.

#### Next General Plan Update Hearing: Feb. 9

Video of each of the hearings is available from the [Clerk of the Board](#). The next hearing is scheduled to be held Feb. 9. DPLU staff is expected to present additional information and research at the Feb. 9 meeting about a number of issues that were raised during the previous meetings, including property-specific requests.
